Summary

A timer for washing machine and dryer.

Design for myself.
Since I always forget the cloth in the
machine.

I would like to make design
have a sense of clean, warm and free.

Two modes are avaliable:
-Day mode
-Night mode
(It depends on exact time sun rise&down
in the real world.)

Two durations can be chosen:
-15 minutes
-20 minutes

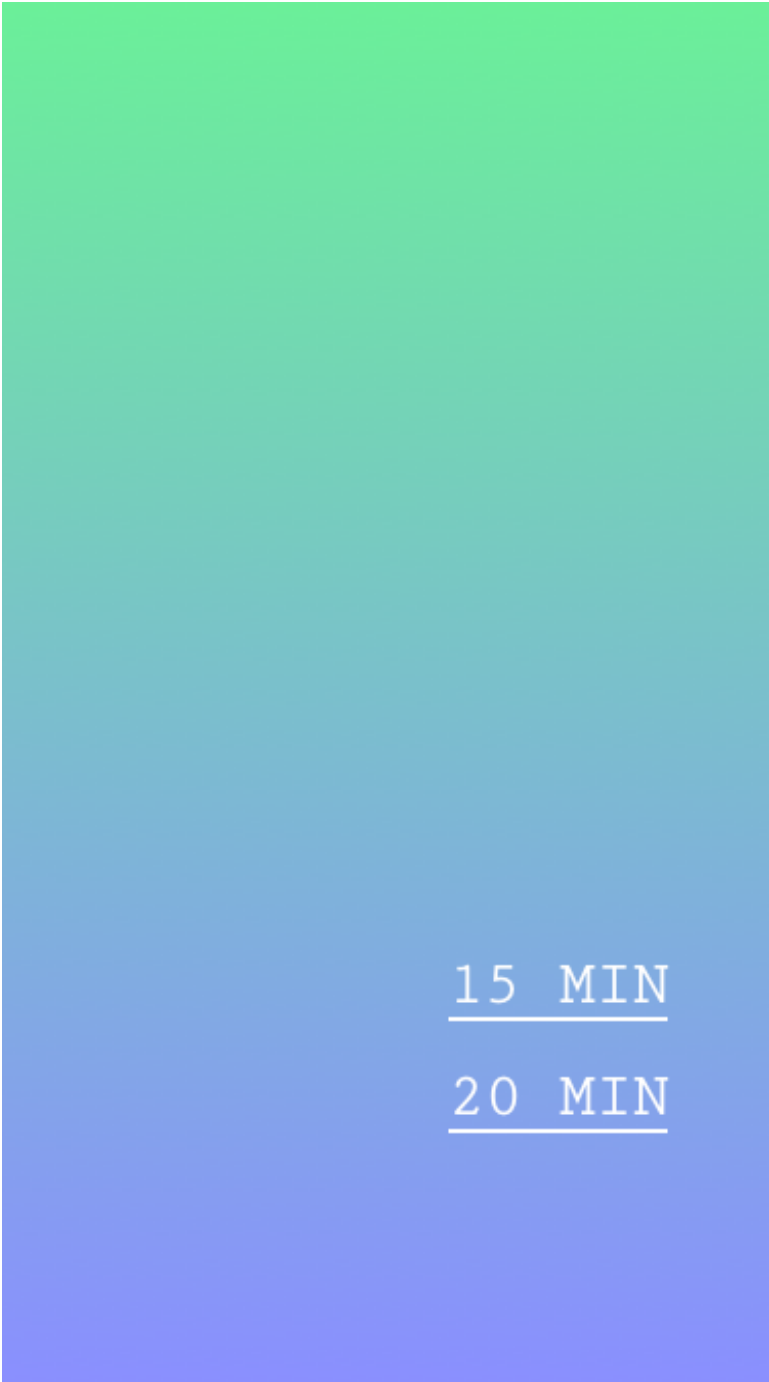

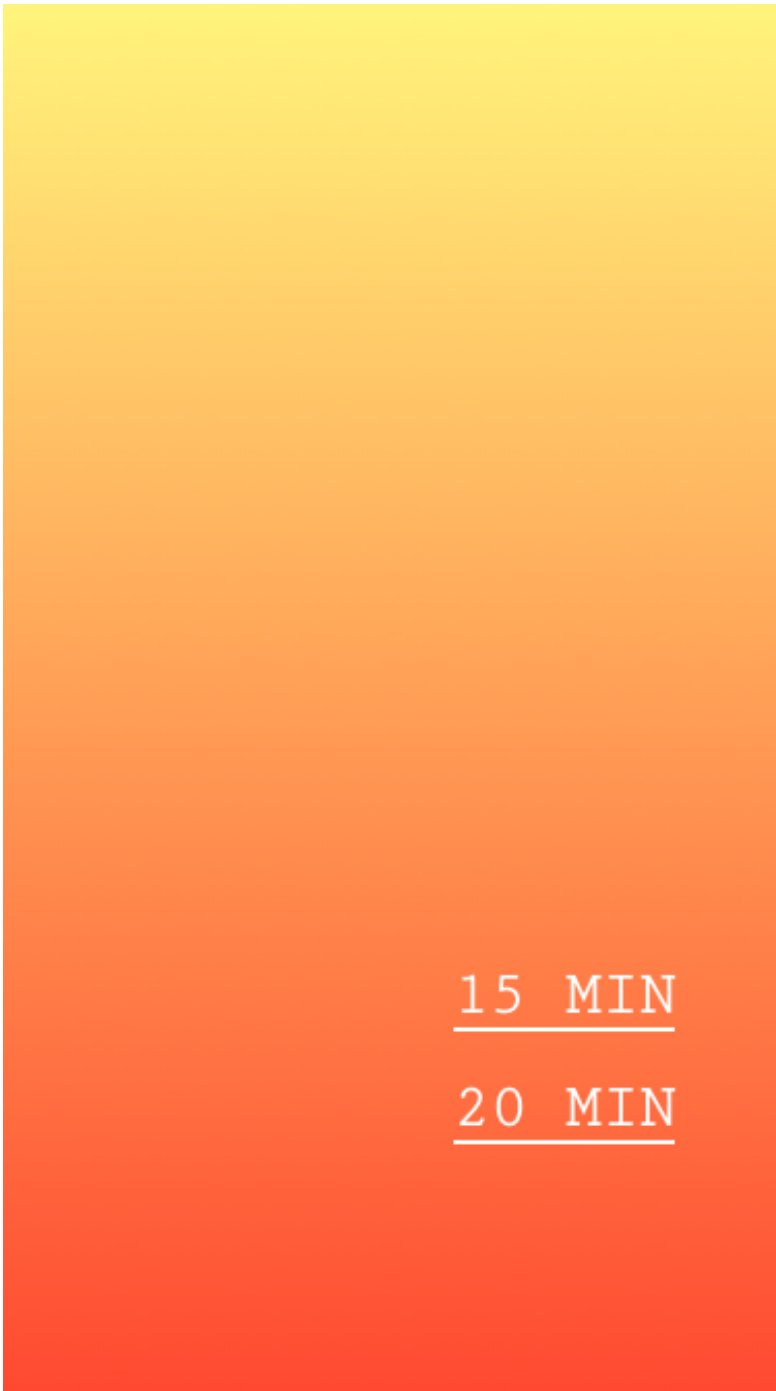

Step 1:Choose a Machine

Day Mode

WASHING
MACHINE

DRYER

Night Mode

WASHING
MACHINE

DRYER

# Step 2: Choose a duration

Day Mode

15 MIN

20 MIN

Night Mode

15 MIN

20 MIN

Step 3: Count Down
(The hourglass icon will diminish
according to the time left.)

Step 4: Done and Reset

Day Mode

RESET

Night Mode

RESET

Complete flow of Night Mode

WASHING
MACHINE

DRYER

15 MIN

20 MIN
